

Says

What have we heard them say?  
What can we magine them saying?

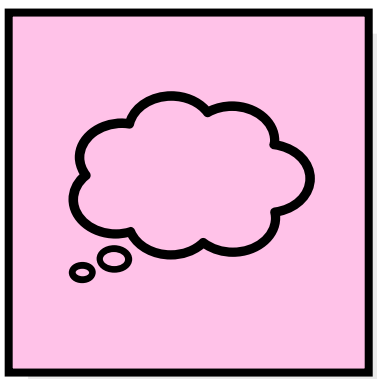

Thinks

What are their wants, needs, hopes,  
and dreams? What other thoughts  
might influence their behavior?

Need a  
model to  
recognise  
digits

handwriten  
digits must  
be  
digitalized

specifically yo be  
used to digotalise  
the phone  
numbers, register  
numbers and such  
records.

recognize  
digits from  
old  
transcripts

must  
recognize all  
forms of  
writing each  
letter

must  
recognize all  
the  
handwritings

Novel Handwritten  
digit recogniser

difficult to  
digitalize the  
digits from  
paper to a  
digital form.

hard to  
recognize  
the old  
transcripts

frustrated to  
manually type  
the phone  
numbers to  
convert to  
digital form

Write the  
digits  
using pen  
and paper

avoid the  
manual-  
typing of  
digits

model  
does the  
conversion

Does

What behavior have we observed?  
What can we imagine them doing?

Feels

What are their fears, frustrations, and  
anxieties? What other feelings might  
influence their behavior?
